<p><b>Proposed Tax Levy (Renewal and Increase)</b></p> <p><b>Delaware County Board of Developmental Disabilities</b></p> <p><b>A majority affirmative vote is necessary for passage.</b></p> <p>A renewal of 2 mills and an increase of 0.7 mill for each \$1 of taxable value to constitute a tax for the benefit of Delaware County for the purposes of the operation of community developmental disabilities programs and services by the Board of Developmental Disabilities, and for the acquisition, construction, renovation, financing, maintenance, and operation of developmental disabilities facilities that the county auditor estimates will collect \$27,129,584 annually, at a rate not exceeding 2.7 mills for each \$1 of taxable value, which amounts to \$65 for each \$100,000 of the county auditor's market value, for 5 years, commencing in 2026, first due in calendar year 2027.</p>	<b>All Precincts</b>

<p><b>Proposed Charter Amendment</b></p> <p><b>City of Columbus, Ohio</b> <b>(Delaware, Fairfield and Franklin Counties)</b></p> <p><b>A majority affirmative vote is necessary for passage.</b></p> <p>Proposed Charter Amendment No. 2, Community Crisis Response Services</p> <p>This proposed amendment establishes a community crisis response system in the city designed to respond to emergency and non-emergency calls for service that require a different approach from the traditional police- or fire-only dispatch. This includes the creation of an internal office, division, or department that would manage these services, in collaboration and coordination with relevant community partners, crisis hotlines, and city, county, state, and federal agencies, and mandating unarmed response services be made available for appropriate calls for service. The amendment would also establish an advisory board to oversee and make recommendations in this effort and requires that the board meet at least quarterly. The amendment mandates funding for community crisis response operations in an amount sufficient to pay for the personnel, services and other resources needed for the planning, implementation, and sustainability of community crisis response. Funding could be reduced only proportionate to overall decreases in city budget and with public justification. The amendment would also require the City to conduct proactive engagement with residents to keep them apprised of operations.</p> <p>Shall the proposed charter amendment be adopted?</p>	<p><b>015/1, 015/2, 016/1, 016/2, 017/1, 018/1, 018/2, 019/1, 019/2, 020/1, 020/2, 021/1, 021/2</b></p>
